The applicant agrees to do the above work in accordance with the Charter, Codes, Resolutions and "SPECIFICATIONS applying to STREETS, SEWERS, BRIDGES and STRUCTURES" of the City of Portland.

Applicant and/or Permittee agrees to protect and hold harmless the City of Portland, Its officers, agents, and employees from any and all injury to persons or damage to property that may result from or any manner arise out of the action of said applicant making changes, improvements, or alterations pursuant to this permit on or within any public street or other right-of way.

The applicant agrees that the work provided for under this permit shall be performed in such good, skillful and substantial manner that no repairs shall be required to any concrete sidewalk, curb, or driveway for a period of 3 years after its completion and acceptance by the City, and if during said period, any defects shall appear in said improvement which are attributable in any manner to defective materials or workmanship, the applicant hereby undertakes and guarantees to repair such defects at his own expense, and when so ordered by the City Engineer. Any defect which appears in said improvement within said period shall be prima facie evidence of defective material or workmanship.

"PERMITTEE Assumes responsibility for proper repair or replacement of any street surface damaged, or in any manner adversely altered from its original condition."

The Applicant and/or Property Owner are responsible for confirming that the repairs pass final inspection.
